Simplivity Hyperconvergence: 250 User VDI Solution

A Network Switch

B Simplivity OmniCube

C Eaton® Blanking Panels

D Eaton 5PX UPS

E Eaton Metered Input ePDU G3

F Eaton RE Serie enclosure

Front   Back
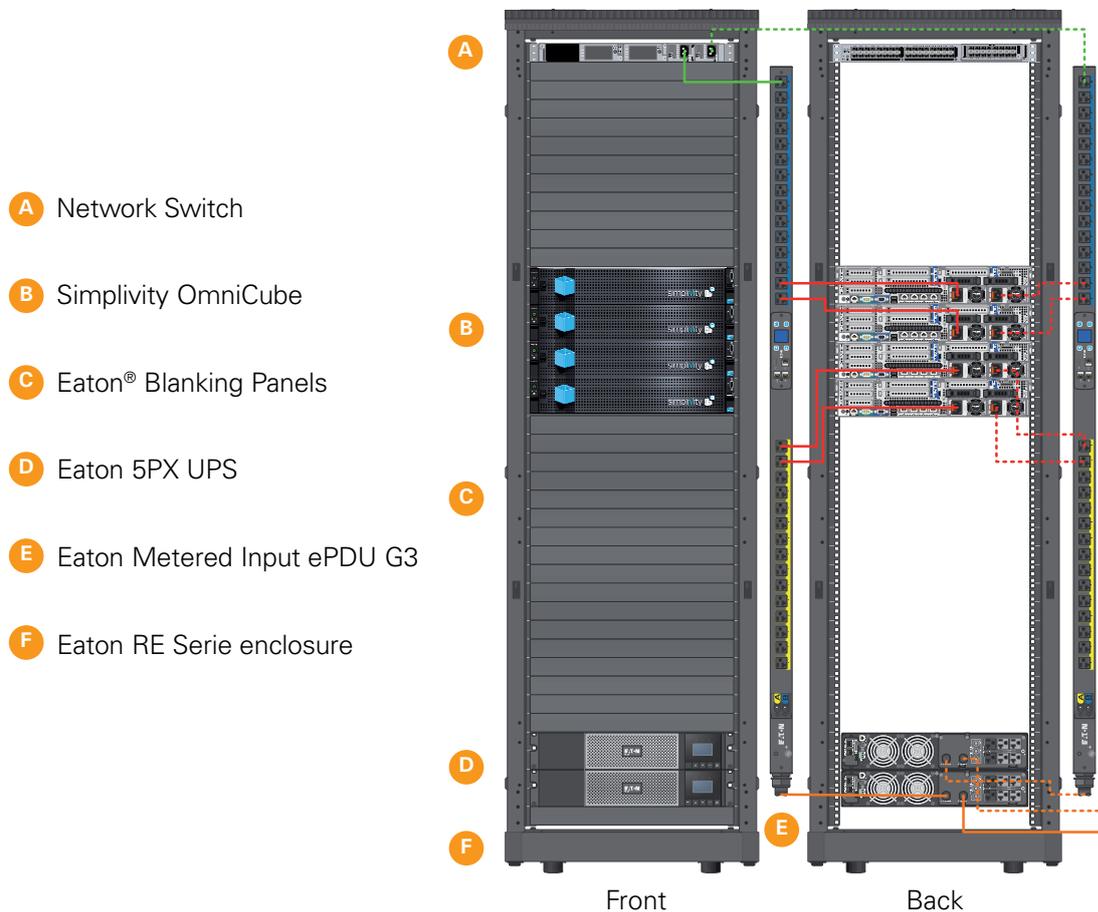

Eaton and Simplivity have joined forces to provide you the ultimate hyperconverged VDI solution.

Simplivity's OmniCube ™ offering in combination with Eaton's class leading power chain portfolio, provides the premier integrated virtualized solution required to manage mission critical environments. Eaton's Intelligent Power Manager software integrates directly into VMware vCenter™ to initiate virtual machine migration in the event of an extended power outage to ensure the data integrity of the OmniCube system.
