

# Simplivity Hyperconvergence: Remote Office Solution

- A** Network Switch
- B** Simplivity Omnibase
- C** Eaton 5PX UPS
- D** Eaton® Blanking Panels
- E** Eaton RE Serie enclosure

**Eaton and Simplivity have joined forces to provide you the ultimate hyper-converged back office solution.**

Simplivity's OmniCube™ offering in combination with Eaton's class leading power chain portfolio, provides the premier integrated virtualized solution required to manage remote environments. Eaton's Intelligent Power Manager software integrates directly into VMware vCenter™ to initiate virtual machine migration in the event of an extended power outage to ensure the data integrity of the OmniCube system.
